

Pelican Rapids Pool Committee

June 24, 2021; 6:00 pm

The Pool Committee meeting came to order at 6:05 pm.

Committee members present were Mark Dokken, Amy King, Rudy Martinez, Kate Martinez, and Don Perrin. Don Solga was also present.

The purpose of this meeting is to review amenities to be placed in the pool facility and get final approval from the city council.

Don Solga was contacted by the architect who will be creating a model for the pool. The architect would like confirmation of the amenities that will be placed in the pool. This will allow a model to be completed as close to finalized design as possible.

The slide was reviewed by the committee, and it is consistent with the original design and approved by the pool committee. The splash pad was also reviewed and approved. Amy King made a motion that the amenities as shown are approved by the committee and a recommendation will be made to the city council to approve these final amenities. The motion was seconded by Mark Dokken. Motion carried.

The meeting concluded at 6:31 pm.
